# मंशी प्रेमचंद जयंती

31 जुलाई, 2024

राजकीय महाविद्यालय शिलाई में हिंदी विभाग द्वारा उर्दू और हिंदी के महान उपन्यासकार मुंशी प्रेमचंद की जयंती के अवसर पर एक विशेष व्याख्यान का आयोजन किया गया। इस अवसर पर प्रो. ए.आर. ठाकुर ने मुंशी प्रेमचंद के साहित्यिक योगदान को अविस्मरणीय बताते हुए उनकी रचनाओं पर गहन चर्चा की। उन्होंने प्रेमचंद की कहानियों और उपन्यासों में चित्रित सामाजिक यथार्थ और उनके पात्रों की मानवीय संवेदनाओं पर प्रकाश डाला। प्रो. ठाकुर ने "गोदान," "गबन," और अन्य प्रसिद्ध कृतियों का उल्लेख करते हुए बताया कि उनका साहित्य आज भी उतना ही प्रासंगिक है जितना उनके समय में था।

कार्यक्रम में डॉ. संसार चंद ने भी विशेष रूप से शिरकत की और मुंशी प्रेमचंद के जीवन पर प्रकाश डाला। छात्रों की ओर से बीए द्वितीय वर्ष की छात्राओं, रंजना और नेहा, ने भी प्रेमचंद के व्यक्तित्व और कृतित्व पर अपने विचार प्रस्तुत किए। उन्होंने प्रेमचंद की कहानियों के सामाजिक संदेश और उनके द्वारा चित्रित भारतीय ग्रामीण जीवन की वास्तविकता पर अपने दृष्टिकोण साझा किए।

इस कार्यक्रम में महाविद्यालय के शिक्षकों और विद्यार्थियों ने उत्साहपूर्वक भाग लिया, जिससे सभी को मुंशी प्रेमचंद के महान साहित्यिक योगदान को और गहराई से समझने का अवसर मिला।

# Independence Day Celebration

August 15, 2024

The National Service Scheme (NSS) unit of Government College Shillai, in the presence of Principal Dr. J.R. Kashyap and faculty, organized various activities to honor freedom fighters, the Indian Army, and the national flag on Independence Day. NSS Program Officer Yashpal Sharma recited a patriotic poem, followed by a soulful group song led by Assistant Professor Reena Devi and the music department. A heart-touching play on the Pulwama attack, depicting the emotional sacrifice of soldiers' families, was presented by volunteers with the help of Sujata Khamn. The Young Speakers Club held a debate on "Are We Truly Free?" that sparked deep reflection among the audience. The celebration concluded with a mesmerizing 'Naati' dance showcasing India's cultural diversity, and the Principal emphasized the lessons of patriotism through the story of freedom fighter Udham Singh.

# Collection and proper arrangement of scattered bricks in the college campus by NSS

On July 27, 2024, during a one-day camp organized in the presence of Program Officer Yashpal Sharma and Sujata Khaman, the volunteers of the National Service Scheme Unit of Government College, Shillai, collected all the bricks scattered in the college campus and arranged them at a certain place in an organized manner. And next to the main gate of the college campus, a small wall was built with stones to prevent animals from coming into the college. This initiative aimed to improve safety and aesthetics while fostering teamwork and responsibility among students. Volunteers worked in groups, collecting, sorting, and arranging bricks, while adhering to safety protocols. The task enhanced the campus environment and was met with appreciation from the college administration. The activity provided volunteers with practical experience in teamwork and management, encouraging similar initiatives in the future.

# First National Space Day Celebrated by Dept. Of Physics

August 23, 2024

The department of Physics at Government College Shillai successfully celebrated India's first National Space Day, an event dedicated to honoring the success of the Chandrayaan-3 mission launched by ISRO (Indian Space Research Organisation), which landed on the South Pole of the Moon on August 23, 2023. The event featured a special lecture on the theme: "Touching Lives While Touching the Moon." It attracted students, faculty, and space enthusiasts alike. The event began with a welcome address by Prof. Sujata Khamn, who anchored the stage, warmly welcomed the audience, and introduced the context of the day's event. The special lecture was delivered by Dr. Sansar Chand, Assistant Professor in the Department of Physics, Government College Shillai. He explained various aspects of space research and thoroughly discussed the moon missions launched by ISRO. Dr. Sansar Chand emphasized the importance of Chandrayaan-3 and detailed the challenges overcome by ISRO in landing the Vikram lander and Pragyan rover on the lunar surface. He also elaborated on the concepts involved in launching a satellite and highlighted how ISRO is renowned for accomplishing cost-effective and impactful missions. Additionally, Dr. Sansar Chand discussed ISRO's future deep space missions, including Aditya L1, Mangalyaan 2, Chandrayaan 4, and the Indian Space Station mission. The talk was interactive and included a quiz on space-related topics. This informative event was enjoyed by all attendees. Senior faculty member prof. Ajay Singh gave his concluding remarks on the event. The event concluded with the National Anthem.
