OUR INSTITUTION

Govt. College Shillai, one of the premier institutions of Himachal Pradesh, having the motto ‘Medhavi Mahiyate’, was established on 5th September, 2005 to cater to the educational needs of the students from Shillai region of district Sirmour. However, the College became operational in 2006. The College is situated on a hillock at Shillai from where an enthralling view of snow capped mountains and majestically flowing river Tons creating natural border with neighboring state Uttarakhand can be cherished. Crisp clean and fresh mountain air, blue sky blazing red and orange at sunrise and sunset all conspire to create this place a slice of heaven on earth. Shillai town, located on National Highway No 707, at an altitude of 1800 meters above the sea level, has gained name and fame worldwide for its quality ginger cultivation and culturally rich festivals like Bishu, Haryality and Budhi Diwali. The college is spread over an area of 51.02 bighas. It has a beautiful building with magnificent design along with a sprawling campus. This college is enriched with infrastructures of all sorts: Spacious Lecture Theatres, Laboratories with Latest Equipments, Smart Class Rooms, Computer Lab, Reading Room, Sports Room, Girls common Room, Canteen and a well Equipped Library with about 4500 books on different subjects and subscription to the various newspaper and monthly magazines. The fire extinguishers along with purifying water plant have been installed in the college campus. This College is affiliated to Himachal Pradesh University, Shimla. It offers Undergraduate Programmes in Humanities, Commerce, Science and Post Graduate Programmes in the subject of Hindi, English, Political Science and History. During the session 2024-25, 522 students got enrolled in this college with the majority of girl students. In the current session, the strength of the students is likely to go up. The college has a two units of NSS and one unit of Rover and Rangers, Red ribbon Club, Women Cell that inculcate social and Moral values in students including leadership qualities, sense of responsibility and dignity of labour to lay grace on their overall personality. The college publishes its magazine “Chandrika” annually which provides a perfect platform for the students with a fair for writing to give vent to their thoughts and seminal ideas. The geniuses among many talented faculty members of the college, with earnest endeavor, are committed to guide academic marches efficiently and make students full of ethical and moral values, self-confident, highly self-disciplined and self-reliant. The college is tirelessly working to promote higher education with conducive environment for quality education. With the patronage of the state government, this institution is all set to become an excellent center of education to the students from rural areas.

THE MISSION

The Higher education being at the apex of the entire educational structure influences all levels of education and thus affects the future of the nation. Our mission, as an institute of higher education, would be to inculcate among students: universal values, curiosity to acquire knowledge, habits of observation and enquiry, strong belief in their own strengths, patience and ability to work hard.

THE VISION

The entire team of professionals at this college is driven by the vision to help the students seek wisdom and follow the path of righteousness with the motive to preserve the values of democracy, justice and liberty, equality and fraternity, sense of duty and patriotism to make the nation great and strong. True education is training of both the head and the heart. Knowledge without wisdom is meaningless. Therefore, educating the mind without morals does not serve the actual purpose of education. Education means: Cultivating inner strength, learning self discipline and eagerness to learn. Educated persons are those who choose wisely and consciously under all circumstances. They choose wisdom over foolishness, good over bad and virtue over vice. The illusion of knowledge which leads to ignorance is not education. We intend to provide the society with competent men and women, who as cultivated individuals are fit to serve the society and the nation.

AIM

Our aim is to help the students develop their potential by providing right kind of leadership. To develop and integrate the intellectual, physical, aesthetic, ethical and spiritual powers of the students to make them highly humane, cultured and integrated. A fine blend of resources like excellent teaching techniques, enriching cultural, sports and co-curricular activities are designed for personal growth and development of leadership qualities and team spirit to achieve this purpose. The focus is on development of 5 C's to be successful in life: Character, commitment, Conviction, Courtesy and Courage. Education is a liberating force. It liberates us from bondage, ignorance, backwardness and vices of lower human nature. The college aims to provide the best atmosphere for learning without any discrimination, prejudice or bias against any section of the society thereby realizing the bigger aim of striving to promote equality and social justice and to reduce social and cultural differences.

CHOICE BASED CREDIT SYSTEM (CBCS)

The Himachal Pradesh University vide letter no. 2-1/2012 H.P.U (Academics) dated 4th June, 2016, has adopted the Choice Based Credit System in all the colleges of Himachal Pradesh. The CBCS provides an opportunity for the students to choose courses from the prescribed courses comprising core, elective / minor or skill based courses. The choice based credit system not only offers opportunities and avenues to learn core subjects but also exploring additional avenues of learning beyond the core subjects for holistic development of an individual.

OUTLINE OF CHOICE BASED CREDIT SYSTEM

Discipline Specific Core (DSC) Course: A course, which should compulsorily be studied by a candidate as a core requirement is termed as a Core course.

Elective Course: Generally a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/subject of study or which provides an extended scope or which enables an exposure to some other discipline/subject/domain or nurtures the candidate's proficiency/skill is called an Elective Course.

Discipline Specific Elective (DSE) Course: Elective courses may be offered by the main discipline/subject of study is referred to as Discipline Specific Elective. The University/Institute may also offer discipline related Elective courses of interdisciplinary nature (to be offered by main discipline/subject of study).

Generic Elective Course (GEC): An elective course chosen generally from an unrelated discipline/subject, with an intention to seek exposure to other subjects/disciplines is called a Generic Elective Course.

A core course offered in a discipline/subject may be treated as an elective by other discipline/subject and vice versa and such electives may also be referred to as Generic Elective.

Ability Enhancement Compulsory Course (AECC): Environmental Science, English Communication/MIL Communication.

Skill Enhancement Courses (SEC): These courses may be chosen from a pool of courses designed to provide value-based and/or skill-based instruction.

Contact Hours: Each course has 5 lectures and 1 tutorial per week in case of DSC, DSE and GECourses. Each course has 4 lectures and 2 Practical per week in case of SEC courses.

Duration of Study: This is a three year course. The degree will be awarded when a candidate clears all courses within a maximum period of five years from the date of admission to this course.

Note: A candidate failing in either one or two subjects/papers will be given compartment in that subject/paper and will be eligible for promotion to the next class. Two chances (one at supplementary stage and one at the annual exam stage) will be given to clear the compartment. A candidate failing in three or more subjects/papers will be treated as "FAILED" in that year and will be required to repeat the entire year.

COURSE EVALUATION

All Courses (Core and Elective) offered by Department will have an evaluation system that comprises of the following two components:

Continuous Comprehensive Assessment (CCA) accounting for 30% of the final grade that a student gets in a course.

End-of-Year Examination (EYE) accounting for the remaining 70% of the final grade that the student gets in a course.

A student will have to secure a minimum of 35% in both the components i.e. CCA and EYE separately and 40% in aggregate to become eligible to be declared successful in a course.

Classroom Attendance- Each student will have to attend a minimum of 75% attendance Lectures/Tutorials. A student having less than 75% attendance will not be allowed to appear in the End-of-Year Examination (EYE).

CONTINUOUS COMPREHENSIVE ASSESSMENT (CCA): CCA will have the following components:

Component		Marks
Class Attendance		05
Class Test	Upon completion of 40% of syllabus	05
House Test	Upon completion of 75% of syllabus	10
Seminar/Assignment /Tutorials		10
Total		30

Pattern of Question Paper for End-of-Year Examination (EYE):

Section	Part	No. of Question	Nature of Question and Answers	Marks	Syllabus Coverage	Question to be attempted	Maximum Marks
I	A	5	Short Ans. type (25-30 words)	2	Complete	5	10
	B	7	Short essay type (70-75 words)	5	Complete	4	20
II	A	2	Essay type (about 500 words)	10	Unit-I	1	10
	B	2		10	Unit-II	1	10
	C	2		10	Unit-III	1	10
	D	2		10	Unit-IV	1	10
Total Section I + Section II							70

Evaluation of Project Work: 100 marks in which the 70:30 marking ratio shall be as follows: 30 marks for Internal assessment (CCA) and remaining 70 marks (EYE) to be

distributed as 50 marks for Dissertation + 20 marks for Viva Voce. Therefore 30 + (50 + 20) = 100 marks. For students enrolled with ICDEOL there will be no internal assessment and marks secured out of 70 will be rationalized using the multiplier as mentioned above.
